Attractions and Exhibits

- **Kangaroo Country**
Celebrate the most iconic of Australian species... the Kangaroo! Meet the mob in the brand new Kangaroo Country exhibit open now!
- **Australian Wildlife Health Centre**
The Australian Wildlife Health Centre treats more than 1,500 sick and injured native animals every year. Our hospital team also conducts cutting-edge research into conservation medicine, clinical wildlife medicine and wildlife rehabilitation, and plays an important role in wildlife disease surveillance. Visit the Centre to meet our wonderful vets and nurses and watch them at work treating sick, injured or orphaned wildlife.
- **Spirits of the Sky**
Daily at Healesville Sanctuary. Discover Australia's majestic birds of prey and magnificent parrots in this this spectacular daily show, free with general admission. Who rules the sky? Parrots, by their sheer numbers - or birds of prey, as skilled predatory hunters? Watch and make up your own mind.
- **Tales from Platypus Creek**
Daily at Healesville Sanctuary. Think the Platypus is a shy and reclusive creature? Think again! Tales from Platypus Creek lets you see Platypus as they have never been seen before. Come face-to-face with Healesville Sanctuary's most iconic species in a world-first interactive Platypus show. Observe Platypus as they interact with keepers, play in the water and even enjoy having their tummies tickled!
- **Cool Conservation**
Cool Conservation gives visitors the chance to see breeding programs in action for two of our threatened alpine species; the Mountain Pygmy-possum and Southern Corroboree Frog. Land of Parrots Get up close to Australia's best-loved birds in this

spectacular walk-through aviary.

- **Dingo Country**
Dingo country, a dramatic rocky high country exhibit, offers you the chance to observe dingoes up close, and learn about their complex history.
- **Animals of the Night**
Enter the dark and secret world of Mountain Pygmy-possums, Bilbies, Bandicoots, Gliders, Lord Howe Stick Insects, and many more mysterious creatures of the night.
- **Fighting Extinction Headquarters**
Calling all Extinction Fighters! Visit our Fighting Extinction Headquarters - mission control for Zooperman - to discover which animals need your help. Zooperman, our very own super-hero, will brief you on your secret mission in a fun, interactive experience. You'll be given an endangered species identity along with a special superpower in order to fight wildlife extinction.
- **Future Vets**
In the heart of the Australian Wildlife Health Centre our Future Vets play space is inspiring kindness in kids through caring for animals in our mini wildlife hospital.
- **Kids' Nature Play**
Bring your kids to experience an exciting new nature play space at Healesville Sanctuary. Kids' Nature Play will provide an engaging and interactive space for children to learn while having fun.
- **Koala Forest**
Journey along the boardwalk through the Manna Gums of the Koala Forest exhibit at Healesville Sanctuary! Celebrate Australia's most iconic species - the Koala. You can see more koalas than ever before in the new exhibit when you weave your way around the treetops and perch on platforms for the best views.
- **Connection to Country**
Healesville Sanctuary is home to sites of great Aboriginal cultural significance and we understand the privilege and importance of being entrusted as custodians of Traditional Country.
