• Luggage Limit

One medium size suitcase per person plus one piece of hand luggage which may be carried on-board the coach. Please note that luggage with an adjustable handle and wheels will not fit in the overhead compartments and cannot be accepted as hand luggage. Maximum weight of the suitcase not to exceed 23kg (50lbs). It is required by strict Government vehicle weight regulations to enforce and adhere to this limit. If your luggage exceeds this limit, please make alternative arrangements for the excess to be forwarded to the termination point of your tour. It is recommended that you have wheels on your suitcase, as there are certain places where assistance is not available (e.g. railway stations and cruise terminals).

• Uluru Climb Information

Uluru is a sacred sight for the Anangu people and they prefer that visitors do not climb it. With this in mind, we do not recommend it. Throughout the year the Uluru (Ayers Rock) climb may close unexpectedly due to Aboriginal cultural reasons or inclement weather conditions

prevailing at the time such as high temperatures, rain, strong winds, storms, low lying clouds or insufficient light. **IMPORTANT:** Please note that as of 26 October 2019 the climbing of Uluru will be banned altogether.
