Sydney Harbour Tall Ship: Lunch Cruise

Just like the early settlers centuries ago, you too can experience the unforgettable thrill of cruising on Sydney Harbour in classic style and comfort. Board the 1850s-style tall ship and cruise Sydney Harbour whilst enjoying lunch prepared freshly onboard by your friendly crew.

Tall Ship Lunch Cruise

Departing from Campbell's Cove, set sail for a wonderful adventure! Cruise past all of Sydney's biggest attractions including Sydney Harbour Bridge, the Opera House, Fort Denison, Garden Island, Taronga Zoo, Luna Park and Admiralty House. You will discover Sydney's rich history and some of the stories and tales behind these iconic landmarks.

Hear about the amazing story of Sydney's only authentic timber tall ships Southern Swan or the beautiful Soren Larsen. Get the opportunity to help hoist and set the sails - a truly unique part of your experience aboard a tall ship. Watch as the wind fills the sails and feel its strength carry the ship across the harbour. The moment the wind takes over and the sound of the engine fades away is like stepping back in time - an experience thousands of sailors across the ages have felt, as they stood on a tall ships deck.

Relax and enjoy the entertainment provided by the crew, captain, chef and the barman - all of whom are at your service.
