Each Ocean Rafting day offers three days in one, including an exhilarating ride to Whitehaven Beach and Hill Inlet, pristine Whitsundays snorkelling reefs and guided Whitsunday Island National Parks walks.

The Northern Exposure eco adventure is a favourite amongst avid snorkellers because it is the only Whitsunday adventure which includes two different snorkel destinations. The tour also includes a visit to the stunning beach at Hill Inlet, north end of Whitehaven Beach, and a guided National Park walk to Hill Inlet lookout above the silica sand of Whitehaven. Small groups allow you to experience this tropical paradise away from the crowds.
