• OVERVIEW •

South Australia Port Lincoln Swim with Sea Lions Cruise

Set out on a half-day tour to the crystal clear waters of Seal Cove. Here, the gorgeous puppies of the sea welcome your arrival by bounding toward the boat with their unmistakable glee. Performing somersaults and graceful swirls, they invite you to join in and we doubt you'll be able to refuse!

Port Lincoln Swim with Sea Lions Cruise

The gentlest of underwater mammals, Sea Lions love to play, and that is exactly what they do! After watching their leaps and twists out of the water, and show-off back-flips, you will notice the pure joy they get out of your attention.

The tour is interactive and informative and trained guides will give you detailed information about the Australian Sea Lions as well as the other local flora and fauna. Staff are regularly trained to ensure that the information content on tour is true and correct.

You will find that as soon as the cruise anchors at 'Seal Cove', the Sea Lions will bound out to greet you and spend the whole hour and a half swimming and entertaining you! Quite often cheekily getting tantalisingly close and on rare but special occasions giving out kisses. Be sure to listen to staff when in the water as they know these puppies better than any one and will show you how to get the closest interactions.

The Sea Lions are wild animals, please do not in any way condone touching these playful creatures, but they often come within centimetres of you to say hello. You are instructed to swim with the Sea Lions and only interact if the Sea Lions approach you.
