Rainforestation Nature Park

Rainforestation Nature Park sets amongst pristine World Heritage Rainforest, Rainforestation is a major Tropical North Queensland tourist attraction combining iconic Australian wildlife, authentic Indigenous culture and the Wet Tropics' most unique rainforest viewing experience from an authentic WW2 Army Duck.

Koala & Wildlife Park

Duration: Guided Tour 30 minutes (approx.)

The Koala and Wildlife Park allows visitors to experience another facet of Australia.

Wander at your leisure or join a guided group with experienced Wildlife Keepers. A series of elevated boardwalks provide close-up uninterrupted views of various Australian animals and reptiles. Handfeed the free roaming kangaroos and wallabies in the landscaped gardens, observe the endangered cassowary, see wombats and lace monitors, and view local snakes and other reptiles.

The star attraction of the Wildlife Park is "Jack the Ripper", a 5 metre saltwater crocodile weighing at 650kgs with a reputation of killing 12 of his girlfriends in times gone by. Jack is kept in his own enclosure with an elevated platform perfect for your safe and close-up viewing. On the other side of Jack is the fresh water enclosure where a bank of juvenile crocodiles, turtles and lizards sun themselves and casually swim around.
