## How to get there

You are required to drive yourself and meet the guide at the site base at Uluru. There are two major car parks at Uluru, the Mala car park and the Kuniya car park (where the departure point is located).

Please make sure you allow at least 30-40 minutes to travel from Ayers Rock Resort to Kuniya Carpark to meet the guide, however if you are travelling during the school holidays there can be a lot of traffic, so allow 45-60minutes.

1. Leave the Ayers Rock Resort and turn left onto the Lasseter Highway towards Uluru.
2. Drive through the National Park entry station (either purchase or show your park ticket here)
3. Continue straight until you reach the round-a-bout
4. At the round-a-bout take the third exit (turn right)
5. Follow this road along and take the first left turn – signs will say "Mutitjulu Waterhole" or "Kuniya Car park"
6. Follow this road until you reach the car park, the site base is located at the rear of the car park, with a big truck that is easily visible.

## Check-in requirements

Please ensure you arrive at the meeting point /departure point 15 minutes before your scheduled departure time to allow enough time to check in. Regrettably, failure to arrive before this time will most likely be classified as no-show and result in forfeiting the booking and it cannot be refunded or transferred.

If you are not familiar with the area or travelling on a weekend or local public holidays / school holidays, please make sure you've checked your timetable or driving route beforehand, and allow extra travelling time for unexpected delays to ensure you do not miss your check in

- The Service Provider reserves the right to cancel or alter tours or activities where necessary due to: operational restrictions, weather conditions, mechanical defects or any other changes to operational conditions.

- **Right of Refusal**

The Service Provider reserves the right to prohibit any participant prior to the start of the tour, during the training session or tour itself from participating in the activity if the participant fails to meet the rider requirements. Additionally participants may be removed from the activity if they do not follow directions or instructions issued to them by staffs; in these instances no refund will be given.

- The Service Provider does not accept responsibility for loss or damage of any personal items stored at the site or carried on the participant or Segway PT during Segway activities.

- Government regulations prohibit smoking inside the tour vehicles. Guests are not permitted to smoke whilst riding a Segway.

- **Language Audio Guides**

Language devices are bookable in Mandarin, Japanese, Italian, German, Spanish and French on first come first serve basis. If the device is lost or damaged, fines apply. Please advise under "Special Request" when booking if needed.

- Most days in Central Australia are sunny and provide superb conditions for Segwaying. Sometimes though, particularly in the summer months, it does receive some rain. The Segway tours will continue to operate in rain or shine, unless it is unsafe to continue. On days when it is raining or after heavy rains The Service Provider may not be able to go the whole way. This is because the tracks can get too muddy and hazardous and they don't want to compress the tracks, making tyre marks. On these occasions The Service Provider will instead go a shorter way around Uluru and spend a little bit more time on foot, exploring caves and waterholes. If you're lucky you might even get to see some waterfalls.
