• ALL YOUR PERSONAL BELONGINGS CAN BE STORED IN LOCKERS, INCLUDING CAMERAS

Climbers cannot take loose objects (including but not limited to items such as cameras, videos, audio, pagers, mobile phones, handbags, satchels, wallets, watches, fitness trackers and any other personal items or effects) and must remove these items prior to undertaking the Climb. Climbers will be provided with a locker for storage of personal belongings. This is to safeguard against anything falling from the Bridge. The photographically-trained Climb Leaders will capture photos of you during your Climb. Each climber receives one free group photo as part of the experience. Additional photos are available for pre-purchase with your booking, or from the Photographics Team after your Climb.

Please do not bring any valuables. The locker provided is for temporary storage only, BridgeClimb Sydney will not be responsible for safekeeping.

• CLIMBING WITH CHILDREN

Climbers must be 8 years of age or over, be at least 120cm, be of sound mind and be in good health. Climbers may be required to undergo a test to assess whether they are capable of completing a Climb. Every three Climbers between the ages of 8 and 15 inclusive climbing together must be accompanied by one paying adult Climb. Parents/guardians must remain with their children throughout the Climb experience, and must assist the BridgeClimb team by managing their equipment preparation and behaviour.

When considering whether this activity will be right for your child, please consider the following:

- BridgeClimb Sydney will supply younger children in smaller Climb Suits, harness belts, and other accessories, based on the day's weather conditions;

- Children must have a general level of fitness and the ability to climb steep ladders and stairs independently.

Climbing the Bridge is an all-ages experience. The stories the Climb Leaders share during the experience are appropriate for a broad age range.

● **CLIMBS OPERATE IN ALL WEATHER CONDITIONS**

BridgeClimb Sydney will supply Climbers with equipment for use during a Climb, but remember to bring your own shoes, which should be enclosed, like running shoes. In case of extreme weather conditions like electrical storms or during times of extremely high wind, Climbs may be postponed.

● **HEALTH & SAFETY ESSENTIALS: CAN YOU CLIMB?**

Anyone who is generally fit and healthy, 8 years and older and 1.2 metres in height with a sense of adventure is welcome to challenge themselves to the Climb of their Life. Please read the Health & Safety Exceptions to ensure you're able to climb (below).

To participate you need to have a general level of health and full fitness to be able to walk 3.3 kilometres within 3.5 hours from check-in, and the ability to Climb stairs and ladders independently. On the day of your Climb, you will be asked to fill the BridgeClimb Declaration Form.

The following Health & Safety considerations may impact your ability to climb safely, so please speak to the Duty Manager prior to your Climb on +61 2 82747777:

- If you're under 24 weeks pregnant, you can climb with a Certificate of Fitness signed by your GP. If you are more than 24 weeks pregnant, unfortunately you cannot Climb.
- If you are 75 years of age, or older, you can climb with a Certificate of Fitness signed by your GP within 3 months from the intended climb.

Essential medication like asthma inhalers can be taken up on the Climb by your Climb Leader. Please ensure you advise the staff when you check-in.

BridgeClimb Sydney asks customers to carefully consider their own health and fitness levels, and not to climb if your participation poses any risk to your health and safety, that of other Climbers, or any other users of the Sydney Harbour Bridge. The following conditions may impact a customer's ability to take part in a Climb and therefore require consideration and disclosure:

- Limb absence or limb difference
- Diabetes
- Heart conditions (including high or low blood pressure)
- Vertigo, dizziness or loss of balance
- All respiratory conditions
- Surgery, from which you're still recovering
- Injuries or conditions impacting stair or ladder climbing ability
- Epilepsy
- Chronic illness

● **HEALTH & SAFETY EXCEPTIONS**

BridgeClimb Sydney will do their best to help everyone climb, however there are some things that will prevent you from participating, including:

- A fit or seizure in the last six months
- Broken bones
- If you are more than 24 weeks pregnant
- Under 8 years of age
- Under 1.2 metres tall

If you have any questions, or are concerned about your ability to climb, please check out the FAQs or speak to our team for advice before booking.

We care about our Climbers; so please be aware that even if you have made a booking BridgeClimb Sydney reserve the right to decline participation, rebook or modify your Climb to keep you safe. Health and Safety Essentials and Exceptions are subject to change at BridgeClimb Sydney's discretion.

- FEAR OF HEIGHTS

For many, climbing the Sydney Harbour Bridge is a life-time goal, an international bucket-list experience that a fear of heights has thwarted. You're not alone.

BridgeClimb Sydney has helped thousands of people challenge their fear of heights by climbing to the top of the Bridge. If you are apprehensive, the team specialise in supporting and enabling you to overcome your fears to climb to the top of Bridge.

Sydney Harbour Bridge Climb, English Speaking 2.5hr Express Day Climb

Express Climb

Accelerate your ascent to the summit. This energetic experience is the fastest trip to the top of the Bridge. Ascend through the heart of the Bridge, a cathedral of steel, and burst through to the summit from below.

- **The Journey**

Latching on in the Climb Base below the Bradfield Highway, you will walk on catwalks past the south-east pylon, directly over Sydney Harbour, until you meet the base of the Bridge's lower arch on the Opera House side. Here you will commence your ascent as you rise to the peak of the lower arch. At this point, you will break through to the upper arch by taking a staircase to the summit. After a summit celebration with your group, you cross the spine of the Bridge to the Darling Harbour side to make your descent to the Climb Base. This Climb has more pace and fewer stops than BridgeClimb.

- **Climb Facts**

- 2.5 hours from check-in
- 1,002 steps
- Ideal for independently-minded folk who just want to fast-track it to the top
- With fewer stops, this climb is perfect for people with a higher level of general fitness
- You can do this Climb by day
