PENINSULA HOT SPRINGS

Peninsula Hot Springs is an award-winning natural hot springs and day spa destination on the Mornington Peninsula, just 90 minutes from Melbourne. Natural thermal mineral waters flow into the pools and private baths at the coastal oasis, providing an idyllic setting for relaxation and rejuvenation.

Drawing on the wisdom of many cultures, water has long been harnessed to encourage physical and emotional wellbeing. High in mineral content, water here is naturally heated by the earth's core and is estimated to be over 10,000 years old. Peninsula Hot Springs is a filtration hot spring with waters rising 637 metres from below the earth's surface. Magnesium, boron, potassium and sodium naturally occur in geothermal waters. Experience the healing benefits of these minerals including stress and blood pressure reduction, detoxification, rehabilitation of muscles and joints and sleep improvement.
