Other info

- Photos offered in good faith where available
Photos included as part of any package are offered in good faith, and offered on the proviso that photos are available. No discount, refund or compensation will be provided in the event that photos are not available due to the aforementioned scenarios under below two conditions.
- Photos are taken by the pilot and support crew as part of balloon operations and fall secondarily to CASA safety requirements and operational Standard Operating Procedures. In some cases the pilot or crew will prioritise these primary tasks and photos will not be taken.
- Similarly, due to the outdoor environment within which our operation occurs, photographic

equipment failure may occur. Whilst we take precautions against such failure and endeavour to have back up systems in place, such failure may result in a loss of data.

- Hot Air Balloon Cairns Exclusive live coach tracking system, real-time find your transfer. Anxiety free if you can see it. (When your Australian mobile number is on file)

- Disabled Passengers :

The Operator recommends that disabled persons seek medical advice before participating in a balloon flight. For safety reasons, certain disabled persons is prohibited from flying by Civil Aviation Safety Authority. Passenger must be able to climb in and out of the basket unaided in order to participate in the balloon flight. Disabled Passengers participating in the balloon flight do so at their own risk and the Operator accepts no liability for any damages or injury caused.

- Pregnant Persons :

The Operator does not recommend pregnant persons to fly in a hot air balloon and will not carry passengers who are pregnant. Passengers who suspect they may be pregnant should check with their doctors before travelling.

- Scuba Diving :

The Operator will not carry passengers who have participated in a scuba dive the night before their balloon flight. Passengers who dived during the day before the balloon flight should check with a qualified dive master as to the safety of the passenger in participating the balloon flight. The Operator usually does not fly above 4,500 feet altitude and most flights are around 2,500 feet altitude. Passengers diving the day before travel who participate in the balloon journey do so at their own risk and the Operator accepts no liability for any damage or injury caused.

- Medical Conditions :

Passengers with medical conditions should check their suitability to fly prior to booking and advise our staff when booking. As the entire tour last more than 4 hours, passengers are advised to carry any necessary medication with them. Persons with medical conditions participating in the balloon flight and pack up activities do so at their own risk and the Operator accepts no liability for any damage or injury caused.

- Alcohol and Drugs :

At no time will a passenger be allowed to fly if their judgement is impaired by alcohol, drugs, or prescription medicine. Passengers who are not able to fly due to this reason may not be given a refund

- Carriage at Pilot's Discretion :

The pilot in charge of the balloon has the absolute discretion in deciding whether a passenger will fly or not. Such decisions are made in the best interest of the safety of the passengers and crew and the Operator accepts no liability for any inconvenience or damage caused. No refund will be given to those who was refused to board by the Pilot.

- Minimum Age

Children must be a minimum of THREE years old to travel on the balloon flight and children up to the age of TWELVE years old must be accompanied by a responsible adult on the balloon flight. Children aged THIRTEEN to SEVENTEEN years old can travel on the balloon flight by themselves, but must be accompanied by a responsible adult for the rest of the tour including bus transfers. Children less than THREE years old may travel with their parents on the tour, but must remain on the ground in the company of at least one parent while the other parent takes the balloon flight and in this situation the parents have the option to fly on successive balloon flights when available. Adult prices will apply from THIRTEEN (13) years old.

【 Important Post-Covid Service Information】

- Guests must be double vaccinated against Covid-19 until further notice. Upon check-in all guests must provide proof of Covid-19 vaccination certification. Guests unable to provide the vaccination documentation will be refused boarding and no refund will be offered as the consequence.

- Before you travel, service provider will ask you some screening questions which includes confirmation of the names of the people in your party, and a contact number.

- If you are unwell, please contact the service provider and arrange to postpone your hot air balloon experience.
